

Downtown Phoenix **HOMELESS OUTREACH**

Who we are

Downtown Phoenix Inc. is a nonprofit working to promote the continued revitalization of downtown. We care about everyone in our urban center, including the homeless, which is why we want to help connect those in-need with available services.

What we do

Through a partnership with Community Bridges Inc., the Downtown Phoenix Ambassadors help refer those in-need to vital assistance programs including substance abuse treatment, shelter, housing, meals, jobs and healthcare.

By collaborating with various organizations in the Phoenix area, we hope to reduce homelessness in our city.

How to get in touch

If you see someone who needs assistance, have a question, see a safety concern or want to lend a hand — contact us! Wearing orange shirts with “Ask Me” on the back, Ambassadors are available seven days a week, every day of the year.
