

DOWNTOWN

MAP & DIRECTORY

2016 • 2017

A publication of the Downtown Phoenix Partnership
and Downtown Phoenix Inc.

ABOUT THE COVER

It's no secret that the Downtown Phoenix of today is dramatically different than 10 years ago, and much of that evolution has to do with transit and connectivity. Light rail, buses, and an increasingly walkable and bikeable central area helped mold downtown into something spectacular, not only for the community, but the region. Looking into downtown from the bridge over Margaret T. Hance Park is a great place to get a glimpse of this progress, and the photographer really wanted to capture that energy and optimism.

Comprised of the Ambassadors and Streetscape Team, each member of Field Services takes great pride in enhancing the core Downtown Phoenix area.

DOWNTOWN PHOENIX AMBASSADORS

The smiling faces that have proudly served Downtown Phoenix for more than 20 years embody the spirit of our community. Our roving concierges are on duty seven days a week, 365 days a year to help you — whether that means making a lunch recommendation, walking you to your car or simply offering directions. Just look for the folks wearing bright orange shirts with “ASK ME” on the back.
