

Downtown Phoenix Past, Present & Future

Downtown Phoenix 60 years ago:

Downtown Phoenix 30 years ago:

Downtown Phoenix today:

Investment

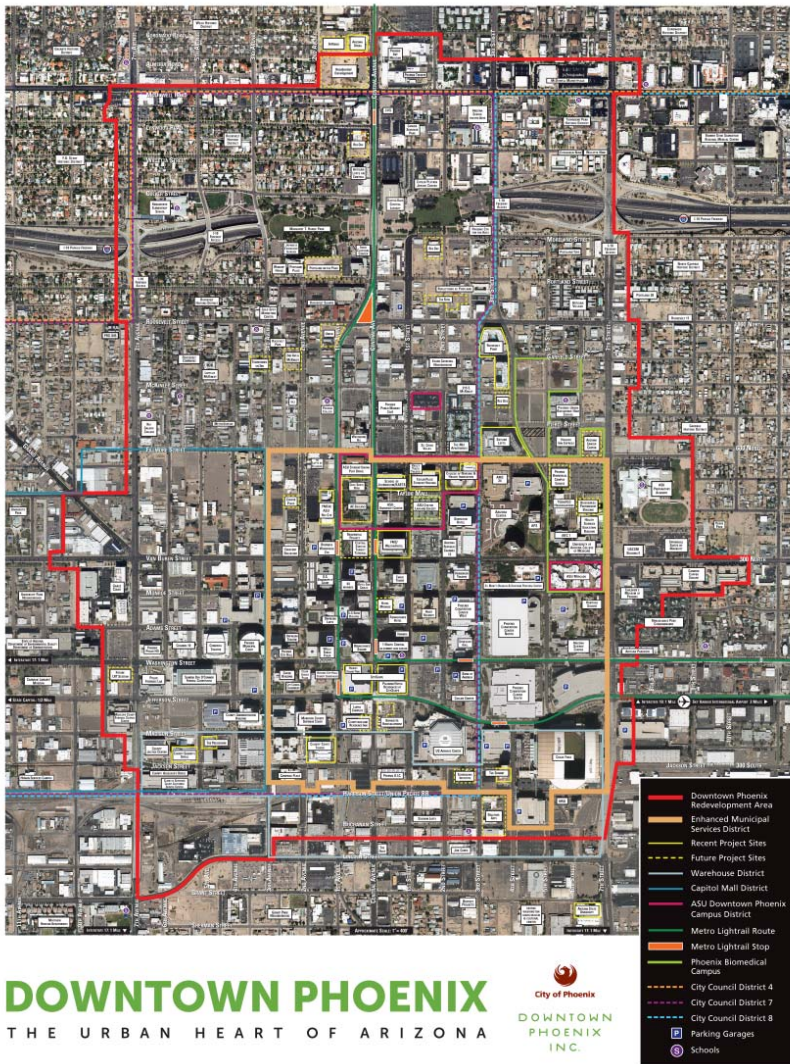

- \$4.6 billion invested between 2004-2015

So how did this transformation take place - from a once vibrant downtown in the 40's, to a virtual ghost town in the 70's, back to a thriving downtown today?

Key Factors in Downtown's Success:

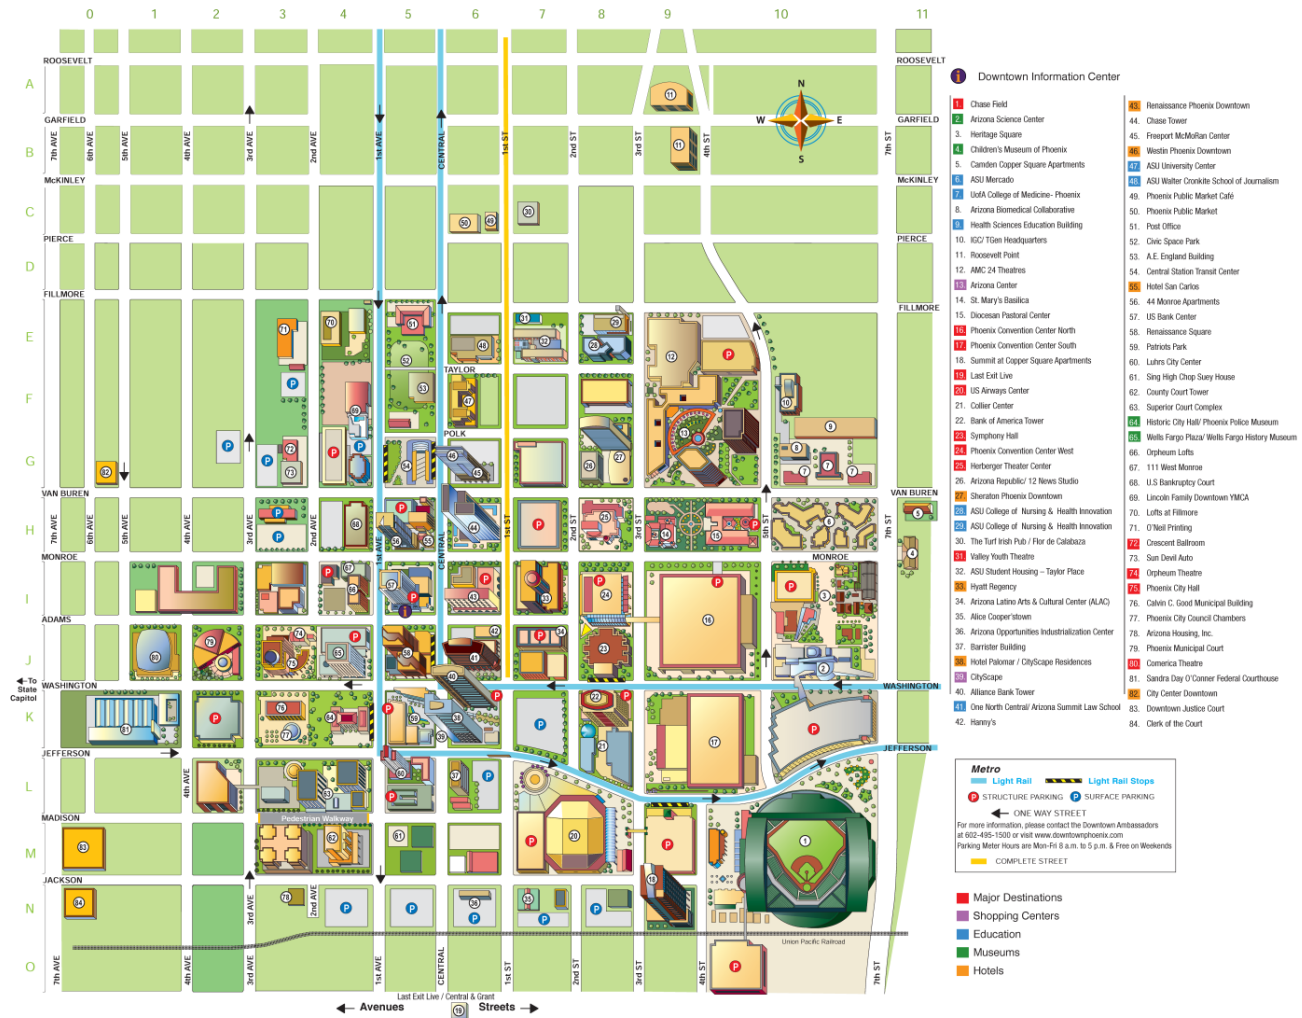

1. Creation of Downtown Redevelopment District which provided necessary tools
2. Creation of Business Improvement District, run by the Downtown Phoenix Partnership
3. Willingness to make significant public sector improvements in "anchor" projects
4. Strong public and private sector leadership
5. METRO Light Rail
6. Strategic Vision with aggressive goals
7. Use of appropriate economic incentives and public-private partnerships with the community
8. Focus on street activation

Downtown Redevelopment District

- Established in 1979
- Approximately 1.7 sq.mi
