# #CrushingIt

## The DTPHX Guide to Co-Working, Small Business Growth and Tech Education

## CO-WORKING/ SHARED SPACE

### THE DEPARTMENT

**Address: 1 N. 1st St. #600**
**Tel: (602) 385-0763**
**Web: departmentphx.com**

A collaborative workspace in Downtown Phoenix offering a range of workspace options, including private offices, reserved desks, flexible work spaces and shared offices—for individuals and teams of 20.

### GALVANIZE*

**Address: 515 E. Grant St.**
**Tel: (602) 362-2670**
**Web: galvanize.com/phoenix**

This Warehouse District campus serves as a home base to startups and established companies building tech-enabled innovations and has all of the amenities of a co-working space—plus learning opportunities, resources, and access to the network a growing startup needs.

### SPACES

**Address: 2 N. Central Ave**
**Tel: (844) 677-2237**
**Web: spacesworks.com**

Offering creative working environments with a unique entrepreneurial spirit, Spaces wants to redefine the way work is done. Includes single desks, private offices and full suites for larger companies.

### MCKINLEY CLUB

**Address: 800 N 1st Ave.**
**Contact: hello@themckinleyclub.com**

This neighborhood, community-centric hub combines rentable creative space and desks with weekly happy hours and workshops available to all users. Private offices and larger conference rooms are available for individual or company use.

### THE MONORCHID

**Address: 214 E. Roosevelt St.**
**Tel: (602) 253-0339**
**Web: monorchid.com/cowork**

Offers loft-style co-working space in the heart of artistic Roosevelt Row. Individual work stations, conference rooms and team spaces are available with 24/7 access. An on-site café and restaurant are also easily accessible.

## INCUBATORS/ BUSINESS ASSISTANCE PROGRAMS

### THE ARMORY

**Address: 455 N. 3rd St. Suite 1010**
**Web: armoryup.org**

This unique startup incubator is run by veterans, for veterans. The space offers co-working opportunities, mentorship, access to networking with investors and more.

PHOENIX COMMUNITY ALLIANCE

### SEED SPOT*

**Address: 502 S. 2nd St.**
**Contact: seedspot.org/contact**

This non-profit incubator helps early-stage social entrepreneurs realize their business goals. SEED SPOT provides access to mentors, community resources, training and capital through rotating 2-day bootcamps.

### THE FOUNDERS INSTITUTE (AZ CHAPTER)

**Web: fi.co**

The Founders Institute is a global idea-stage accelerator and startup launch program. A challenging and rigorous 14-week curriculum provides early-stage and aspiring entrepreneurs with the structure, training, mentor feedback, global network, and lifetime of support needed to start-up and scale.

### HEALAB

**Address: 120 E. Taylor St., First Floor**
**Contact: HEALab@asu.edu**

The Health Entrepreneurship Accelerator Lab, HEALab @ ASU, is the first-ever accelerator for students, faculty and the community at ASU to launch initiatives that focus entirely on health and healthcare solutions. The program provides mentorship, workshop learning, and connections to ASU's faculty and academic community to help ventures find success.

### RISN INCUBATOR

**Address: 1 N. 1st St. #600**
**Contact: risnincubator@asu.edu**

RISN Incubator is a niche business accelerator for entrepreneurs in the early stages of waste-to-product innovation. The program is the result of a partnership between ASU and the City of Phoenix and focuses on helping startups test, build and scale their products.

## DATA SCIENCE LEARNING

### GALVANIZE*

**Address: 515 E. Grant St.**
**Tel: (602) 362-2670**
**Web: galvanize.com/phoenix**

Galvanize offers world-class tech education programs for either part-time or full-time learners. The courses are offered on-campus in the burgeoning Warehouse District.

### DEVMOUNTAIN

**Address: 101 N. 1st Ave**
**Tel: (844) 433-8686**
**Web: devmountain.com**

This private, coding boot-camp school offers courses in web development, programming, user experience design, etc. in the heart of Downtown Phoenix's business district. Free housing is included in course tuition for all full-time students.

### THINKFUL

**Address: 1 N. 1st St. #600**
**Tel: (928) 793-2174**
**Web: thinkful.com**

Thinkful trains aspiring data scientists and developers using online-based programs combined with 1:1 mentorship and post-graduation assistance to help graduates land a job in their skill field of choice. Full-time and flexible boot camp programs available.

### TECH TALENT SOUTH

**Address: 1 N. 1st St. #600**
**Tel: (404) 491-9887**
**Web: techtalentsouth.com**

Tech Talent South offers a range of programs, from 2-day web development pop-up camps to 8-week full immersion programs. Full and part-time courses are combined with community networking opportunities and a speaker series to help enrollees succeed.
