

Downtown Phoenix Past, Present & Future

Downtown Phoenix 70 years ago:

Downtown Phoenix 40 years ago:

Downtown Phoenix Today:

Investment

- \$5.5+ billion invested between 2004-March 2018

So how did this transformation take place - from a once vibrant downtown in the 40's, to a virtual ghost town in the 70's, back to a thriving downtown today?

Key Factors in Downtown's Success:

1. High degree of community collaboration between all partners
2. Willingness of the City of Phoenix to make significant public sector improvements in "anchor" projects ie. Arenas
3. Creation and expansion of METRO Light Rail
4. Focus on attracting innovative employment base
5. Focus on improving the pedestrian experience
6. Growth of education and research sectors
7. Growth of residential market
8. Focus on lifestyle including arts, food, music and sports

Downtown Redevelopment District

- Established in 1979
- Approximately 1.7 sq mi
- Redevelopment tools focusing on Downtown investment
