

# FIREHOUSE FastPITCH

*Firehouse FastPITCH is a one-of-a-kind opportunity to grow your business as the former Hance Park Firehouse is transformed into one of downtown's hottest new restaurants.*

Everyone loves dinner on a patio. They'll love it more if the patio overlooks the beautifully reimagined Hance Park. Put yourself into that picture, not with dinner but as part of the group that takes the iconic firehouse and adapts it into Phoenix's hottest new restaurant.

Phoenix is revitalizing Hance Park and putting the only restaurant site with direct access to the park on the market for lease, redevelopment and operation as a full-service restaurant and downtown's newest culinary destination. This summer, Phoenix will issue a Request for Proposals (RFP) that will require small business outreach.

## Join us for the **Firehouse FastPITCH** event!

Proposers, small businesses, and restaurateurs will have the opportunity to connect and form local and unique proposing teams.

**Proposers:** connect with dozens of small businesses

**Small Businesses:** pitch and expand your business

**Restaurateurs:** pitch additional locations or new concepts and potentially find new small business vendors.
