### OFFICE

Downtown Phoenix is the historical financial and civic center of Arizona and is quickly becoming the epicenter for innovation and company growth. Downtown office buildings offer tenants the unique opportunity of placing signage atop the towers which is visible from the I-10 and I-17 freeways, the Sky Harbor Airport flight path and during major sporting events. Downtown also offers unique space in older structures and adaptively reused warehouse buildings. Midtown and Downtown Phoenix are home to 173K employees, 58K of which work in the Downtown core.

- Office Vacancy Rate: 22.3%
- Existing Office Space: 6.1M sq ft in the business core

**Please note that Chase Tower has been removed from this dataset, pending redevelopment efforts**

### EDUCATION

Downtown has risen over the past 15 years into a strong center for innovation, biomedical collaboration and education. All three major public Arizona universities maintain a Downtown presence with more construction planned.

**Arizona State University (ASU)**

ASU opened its Downtown Phoenix Campus in 2006, heralding new energy and vitality into the Valley’s urban heat. Recent growth includes the relocation of the world-renowned ASU Thunderbird School of Global Management to Downtown (2018) and completion of Fusion on First (2021).

The following ASU colleges and schools are located on the Downtown Phoenix Campus:

- The College of Health Solutions
- College of Integrative Sciences and Arts
- Edson College of Nursing and Health Innovation
- Sandra Day O’Conner College of Law
- Thunderbird School of Global Management
- Walter Cronkite School of Journalism and Mass Communications
- The Watts College of Public Service and Community Solutions

### RETAIL

The retail market contains a diverse mix of local boutiques, restaurants, bars, lounges, retail, and grocery stores. Roosevelt Row continues to attract local artists, creative spaces and non-F+B retailers.

- 1.6M sq ft of existing retail
- 108,000 sq ft of retail under construction
- 55,000 sq ft Fry’s grocery store
- 155 net new bars and restaurants since 2008
- 225+ restaurants and bars in total, of which 80% are locally owned

### DISTRICT COOLING

Cordia is a centralized cooling network that originates at chillers located at several places Downtown. The cooling loop transfers chilled water to buildings that subscribe to the service, resulting in increased cooling efficiencies and lower front end cost to developers.
